#### **\*Note for seniors and potential recitalists:**

Students who have an advanced level of skill and are interested in preparing recitals (graduating seniors and transferring Clark students) should have their date and location for the recital selected, repertoire selected, and accompanist engaged by May 1. Senior and transfer recitals are done with my approval and scheduled when I can attend. You represent this voice studio and recitals must meet a high level of vocal and musical mastery.

CCMTA = Clark County Music Teachers Association      NATS = National Association of Teachers of Singing  
OMTA = Oregon Music Teachers Association            MTNA = Music Teachers National Association  
Mu Phi Epsilon = a professional music sorority – scholarship auditions are held once a year for advanced students

I belong to all of these organizations so that my students can participate in as many performance and adjudicated opportunities each year as possible.

CCWCE = Clark College Women's Choral Ensemble
